

**'Tis the Holiday season. By golly, be jolly!  
Spread good cheer - and good beer! (But  
don't forget the music.)**

I represent the Twin Cities Brass Band, a group of local musicians dedicated to the European brass band tradition. You can learn more about the band at [www.twincitiesbrassband.com](http://www.twincitiesbrassband.com)

We have been brushing up on our repertoire featuring traditional Holiday favorites and reaching out to establishments in the area to offer our services – a perfect way to fill the air with wonderful music and good cheer in your taproom.

Our band is a 501(c)(3) organization which applies to any compensation you make for our participation at your facility.

I would love to discuss the possibility of booking a performance at your facility. Please either bounce back to me with an email with a specific time when you would be available or give me a call at 651-895-4521.

Warmest regards,

Bob Hirte  
Twin Cities Brass Band
